To Whom it May Concern,

It is a sincere pleasure that I write a letter of reference on behalf of Loretta Sanford and 7 Generations Inc. Loretta came highly recommended to us by an outside source, with many years of experience with these facilitation services.

Our small group was in need of a little help working through some difficult team dynamics. Loretta teased out the issues and helped us define what we were struggling with. Her manner was sincere and allowed for open dialogue. Loretta is a skilled facilitator, with the key ability to quickly assess personalities, roles and structure. She had great insight on the team members and offered useful advice and guidance to me as a leader. We have been able to utilize her suggested tools to build upon our cohesiveness and cooperation as a team. It was truly an enjoyable experience, and equally effective.

I highly recommend Loretta Sanford and 7 Generations Inc. I have recommended her facilitation services to other departments within Housing Assistance Corporation. We certainly plan to use her services in the near future.

Sincerely,

Cindi Maule, MSW
